TreeView 1

TreeView

The image displays three different visualizations of a hierarchical tree structure representing continents and countries. The first visualization is a flat list where each continent is highlighted in blue. The second is a tree view with checkboxes next to each node. The third is a tree view where nodes are colored based on their continent: North America (green), South America (light green), Europe (red), Africa (dark red), and Asia (grey). A legend on the right side of the image defines these colors: North America (green), USA (US flag), Canada (Canada flag), Mexico (Mexico flag), South America (light green), Argentina (Argentina flag), Brazil (Brazil flag), Europe (red), UK (UK flag), Denmark (Denmark flag), France (France flag), Africa (dark red), Somalia (Somalia flag), Uganda (Uganda flag), Egypt (Egypt flag), Asia (grey), and Pakistan (Pakistan flag).
